

As coronavirus continues to impact people across the globe, we are committed to taking every precaution to help keep our employees & customers healthy and safe—and to do our part in limiting the spread of the virus. With Mother’s Day quickly approaching we want you all to know that we will continue to deliver our products to you in any manner you deem necessary in order to protect you and your loved ones. As part of our commitment to the health and safety of our customers, we will maintain a safe distance, deliver outside your doors or directly into your storage area if necessary, as well as, wear gloves and masks. Please keep in mind that there are no reports of human illnesses that suggest COVID-19 can be transmitted by packaging.

We are committed today, tomorrow and in the future to continue to be your most dependable wholesaler of choice so that you can continue living life on your terms. Thank you for your loyalty and support.

We hope you and your family remain safe and well.

– Tim & Jayla Love
